Internationally-renowned artist **Barbara Rae CBE RA RSA** travelled with Ice Tracks on a series of voyages to the Arctic to follow in the footsteps of her namesake, the explorer Dr John Rae. As a result of these journeys Barbara Rae has created a superb collection of work which will be exhibited in Edinburgh this summer.

The exhibition will be premiered at the [Scottish Royal Academy](#) on 4 August 2018, and will run until the 9 September 2018. Ice Tracks will be there to celebrate the opening of this exciting exhibition as we are honoured to have played a small part.

Barbara Rae will join Ice Tracks for her fourth polar voyage with us in

September 2018 exploring [Greenland and Baffin](#) to continue her extraordinary work.

We really hope to see you at the exhibition and never stop exploring!

Angie and CARO
